Break Down

- Logo
 - This will either be a branding of the title of the game or an image.
- Game Option
 - This will have a dropdown selection of either a 'New Game' or 'Pause/Resume'.
- Time Taken
 - Counter that counts when the game begins and stops when the game has been completed.
- Turns Taken
 - Counter that counts up every time the players choice has been made.
- Guess
 - Text field that users input the random string to complete the game quicker.
- Submit Guess
 - Button to see if the Text Field is correct.

Break Down

- Play Area
 - This is where the playing field is to be located on a desktop browser.
- Score Area
 - This is where continued playing can be tracked with seeing who has the quickest time or turns taken
- Developers Area
 - Haven't decided what information I will give about myself, maybe contain something about copyright etc
